Dear Loudoun County Landowner,

Thank you for granting us permission to enter your land and collect data for the Loudoun County Bird Atlas (2009-2013). Your permission is key to making this project, organized by the Loudoun Wildlife Conservancy, a success. The atlas will create a baseline of information that can be used to indicate important bird areas and guide future conservation activities.

If you would like to report any bird sightings, please contact the person named below. Please check our website at http://www.loudounwildlife.org/Bird_Atlas.htm to view the progress made by the atlas. Thanks again for your cooperation.
