

iNaturalist Walk for Wildlife Instructions

NOTE: The “Walk for Wildlife 2021: LWC” project in iNaturalist is open and you can join now. However, you will not be able to add observations for the project until October 1, 2021.

New to iNaturalist?

Download the iNaturalist app from Apple or Google play store.
Register using the email you used to register for the Walk for Wildlife.
Open the iNaturalist app.
Select More ... on the bottom right.
Select Projects.
Select the Search icon at the top right.
Enter “Walk for Wildlife 2021: LWC”
Click Join.
Go out to observe wildlife.
Take a photo using your phone or camera.
Load your photos to the app.
Your observation will automatically be added to this project.

Already use iNaturalist?

Open iNaturalist.
Select More ... on the bottom right.
Select Projects.
Select the Search icon at the top right.
Enter “Walk for Wildlife 2021: LWC”
Click Join.
Your observation will automatically be added to this project.
